

User manual

1. Overview

This human-trafficking is developed to help people search human-trafficking adds and tag the documents. This manual will give you brief instruction on how to use this search interface.

2. Search

a. Structured query

Structured query box on left side allow user to search by representative features, phone or email, of human trafficking.

The screenshot shows a search interface with two main sections. The top section is labeled "Start new search" and contains a "Phone:" field with the value "903821020" and a "Search" button. Below it is an "Email:" field with the value "abc@gmail.com" and another "Search" button. The interface has vertical blue borders on the left and right sides.

The “Refine Your Search” box allow user to search by detail features like name, age, ethnicity, nationality, location in US, hair color, eye color, height, social media and review site ID. Here is a search example:

The screenshot shows a detailed search interface titled "Refine Your Search". It includes the following fields and filters:

- Escort Name:** Lily (text input)
- Age Range:** 20 - 40 (range slider)
- Ethnicity:** Asian (dropdown menu)
- Nationality:** -- select a country -- (dropdown menu)
- U.S State:** New York (dropdown menu)
- City:** (text input)
- Search:** (button)

On the right side, there are two columns of checkboxes:

Hairstyle:	Color:
<input type="checkbox"/>	White
<input type="checkbox"/>	Black
<input checked="" type="checkbox"/>	Brown
<input type="checkbox"/>	Blonde
<input type="checkbox"/>	Red
<input type="checkbox"/>	Blue

Eye Color:	
<input type="checkbox"/>	Brown
<input type="checkbox"/>	Black
<input checked="" type="checkbox"/>	Blue
<input type="checkbox"/>	Amber
<input type="checkbox"/>	Grey
<input type="checkbox"/>	Green

At the bottom, there is a "Height Range: 150 - 181cm" label with a range slider.

This is the result for this search:

Searched	Elasticsearch	Results 1 - 50 of 478 matches; 0 tagged
C738EE59325943B1B7B0130E7CC33B4FD11B5D5060438DB42CB9A7CC67622548

c. Search within current result

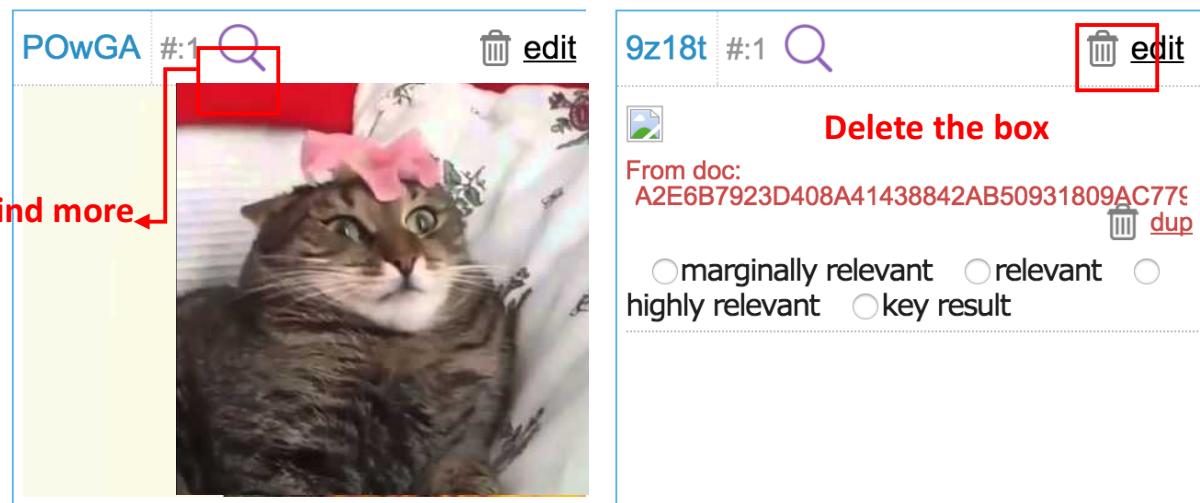

The system allows user to search within current result by clicking button “within current search”:

Refine Your Search

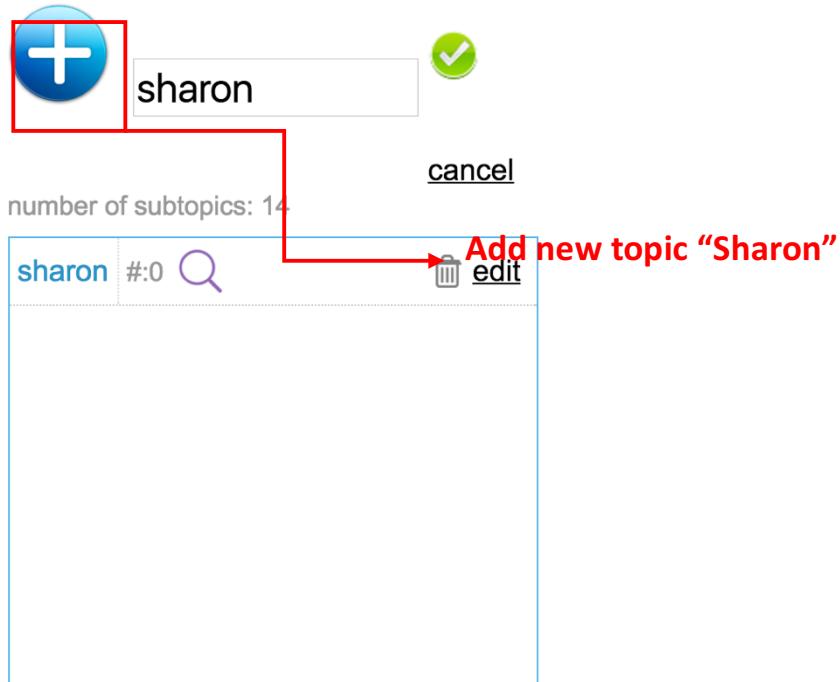

within current search

3. Drag and drop search

User can drag and drop text or image to drop box on the right side to search similar text or image. (Note that the drag and drop function is only available on document detail page.) Select a paragraph or an image, then drag and drop to a current box or a new box created automatically if there is already an image in the box.

Find more button will allow user to find similar text or image in particular drop box. And user can also create new box with new topic and delete useless boxes.

4. Tag relevant/irrelevant document

User can tag irrelevant or duplicate documents when browsing detail documents. And he or she can check those documents tagged.
